REBUILDING POLICE

Mayor Weinberger and Chief Murad presented a [rebuilding plan as part of the FY23 budget](#), which the City Council unanimously approved. The Council also approved strong contracts and raised authorized officer headcount from 74 to 87. The BPD is working hard to grow.

On December 16, three new BPD officers graduated from the Vermont Police Academy and started their fifteen-week field training.

Five more officers are anticipated to be hired to attend the next Academy class, which begins in February.

The BPD is also hiring Community Service Officers, Community Support Liaisons, Dispatchers, and more.

BUILDING ROLES UNIQUE TO BPD

As part of Chief Murad's 2021 Public Safety Continuity Plan, we have hired:

- **Community Service Officers (CSOs),**

These are unarmed, unsworn officers who answer quality-of-life calls for service. Historically, the BPD had two; Chief Murad's plan expanded the number. We currently have ten employees in the role, and **our new FY23 budget allows us to have 12 CSOs**. The role is also a stepping stone to becoming a police officer. (One of the CSOs show below recently graduated from the police academy, and the other will attend the next academy class in February.)

**BPD
currently
has 10 CSOs
and 3 CSLs**

As part of the Public Safety Continuity Plan, we hired:

- **Community Support Liaisons (CSLs)**

Chief Murad and CSS Lacey Smith, pictured above, created this new position, which is unique to the BPD. CSLs are embedded social workers with expertise in mental health, substance use disorder, and houselessness who help address social service issues. **We have three CSLs in the hiring pipeline, and are hopeful to have six CSLs by early 2023.**

REVISED PRIORITY RESPONSE PLAN

PRIORITY 1	High priority.
PRIORITY 2	Middle priority. (*) = situationally dependent; some may be Priority 1 or Priority 3.
PRIORITY 3	Low priority. Response may be delayed based on officer availability; may receive a CSO response.

We originally implemented [the Priority Response Plan](#) in May 2021. We have made several revisions, shown in this chart. The categorization of incidents has **not** changed. (Our primary goal remains **NEIGHBORS' PHYSICAL SAFETY**, so Priority 1 incidents are still Priority 1 incidents, etc.) But many Priority 3 incidents will now receive a different response.

In the chart, **incidents labeled "CSO"** will initially receive a response from a CSO, rather than a police officer, unless the incident evolves in a way that changes its category or requires a sworn officer.

Incidents labeled "ONL" (for "Online Only") will be diverted to an online reporting function. Unless extenuating circumstances apply, callers will be asked to make an online report. There are reporting mechanisms for callers who do not have Internet access.

Additionally, during daytime weekday hours when DSB detectives are available, **DSB will handle untimely deaths.**

MURDER

Murder is a rare crime, but in 2022 Burlington saw five murders. **That terrible total exceeds every known year in our city's history.**

Our Valcour system dates to 2012. In those eleven years, Burlington has experienced fifteen murders.

The BPD's has solved 100% of these heinous crimes on behalf of these victims and their loved ones. That is an exemplary record.

There have been fifteen victims and twenty-two perpetrators. Two of the victims were women, as were three of the perpetrators. Nine of the fifteen murders were perpetrated with firearms.
